2. Development on main road at Toward Triangle. No issues.

### **Roads Department**

1. Dropped kerbs and the poor quality of work at Sandy Beach was raised. Two dropped kerbs near the former shops have not been done.
2. Bus service: it was agreed it was unacceptable to have no reason for not reinstating the 489 service to the high road. A reply will be sent to Ailsa Barr re taking councillors out of her reply and saying the bus issue will be raised at the Cowal Transport Forum next week.

## **ACHA**

ACHA will now install signage at the areas of ground they initially proposed as transfers to SCCC or Inspiring Innellan.

It was agreed to write to Ardentinnny CC saying we had some reservations about their stance and would not support the approach to Scottish Ministers.

## **AOCB**

1. Hall donation was agreed at £250
2. Cycle Lane at Alexandra Parade was discussed. Concern was expressed at taking parking away going north from John St on the shore side.
3. It was agreed to support BCC but to say the event had to be non party political.
4. Disabled parking space: can someone without a car have one? Councillors to investigate.
5. Jane Villa Car Park. 4 spaces for visitors to surgery at the moment so can there be more? This sparked a debate about car parking generally.
